The Bumper Alternative

15. crib fringe: The famous Babylicious bumper alternative...Crib fringe brings back the decorative element to the nursery if you've chosen no bumpers for your baby. More and more experts warn that bumper pads may increase your baby's risk for SIDS. Use our innovative crib fringe to decorate baby's crib more safely. Ties to the long sides of the crib's rails on the inside when baby is newborn, and then move to the outside when baby can start to reach up. A set of 2, one for each long rail looks adorable. Also great as a window valance on a rod, as a pennant or to trim the change table! 100% cotton.

16. sleep cozy:

100% cotton shell.
Sizes S, M, L, XL.
Available in summer weight (lined with 100% cotton flannel) and regular weight (lined with fleece).
